

Iron & Wine - Love Vigilantes (Capo 3)

Album: Around The Well

Tab by: Tim de Jong¹

Notes:

Quite a simple song to play, and a beautiful cover of the New Order song I might add. Note that the chords are most probably struck by hand and after that palm muted, took me some time to figure out, but it's not too difficult. In addition, the C chord is played with a hammered on 2nd finger, and the first finger of the F sometimes comes of the neck. Enjoy, and let me know if you find any improvements!

Chords: C F G

Verse

Oh I just come, from the land of the sun,
from a war that must be won in the name of truth,
With our soldiers so brave, your freedom we will save,
With our rifles, and grenades, and some help from God.

Refrain

And I want to see my family,
My wife and child waiting for me,
Got to go home, I've been so alone you see.

Verse

You just can't believe, the joy I did receive,
when I finally got my leave, and I was going home,
Oh I flew throught the sky, my convictions could not lie,
for my country I would die and I will see it soon.

Refrain

Instrumental

C F G

Verse

When I walked through the door,
my wife she laid upon the floor,
and with tears her eyes did soar, I did not know why,
Then I looked into her hand, and I saw the telegramme,
said that I was a brave brave man but that I was dead.
